

ProChance 2010 Programme for the Promotion of Equal Opportunities for Women and Men in Science Programme Line A 2 Equipment support	
<p>Friedrich Schiller University (FSU) is committed to the objective of equal opportunities for women and men in science. While the situation at FSU has been improved through comprehensive efforts in the past, real equality of opportunities has yet to be attained.</p> <p>FSU will therefore continue the 'ProChance' programme commenced in 2008. The programme supports scientific activities and qualification of female scientists.</p>	
Objective	<p>The objective of programme line 2 is to enhance research conditions for female scientists. This objective is attained by providing equipment to promote their research.</p> <p>Eligible are e.g.:</p> <ul style="list-style-type: none"> - Stays at research institutions abroad - Conference participations with own technical paper - Participations in scientific qualification events - Special equipment - Funds for assistants - Archive travel - Publication of scientific results
Eligibility	Female scientists at FSU with successfully completed doctorate degree as well as outstanding doctoral students at FSU may apply.
Type and scope of funding	Material expenses of usually up to €1,000 per application may be provided. Such funds must be used in compliance with the budget guidelines of the Free State of Thuringia and FSU. Equipment above €150 must be inventoried.
Deadlines	Applications may be submitted at any time, but should have been received no later than six weeks prior to anticipated utilisation.
Application form and type	<p>Applications do not require any specific form. The intended purpose should be described in detail in line with funding objectives; a cost budget, CV, and list of publications should be attached. Female doctoral students require a letter of support by their supervisor.</p> <p>Applications must be sent in writing (single copy, not stapled, not bound, and without cover!) <u>or</u> electronically to the following address:</p> <p style="text-align: center;"> Prorektor für Forschung Prof. Dr. Thorsten Heinzl 07737 Jena e-mail: prforschung@uni-jena.de </p>
Advertisement	<p>The advertisement may be downloaded from:</p> <p style="text-align: center;">http://www.uni-jena.de/PR_Forschung_Programme.html</p> <p>or is available from the Vice-Rectorate for Research:</p> <p style="text-align: center;">e-mail: prforschung@uni-jena.de / phone: 03641-931010</p>
Contact for queries re. application	<p>Dr. Jörg Neumann phone: 03641-931013 e-mail: prforschung@uni-jena.de</p>
