November 15

Nominations

Nominations are to be submitted by the Home University by sending an email to visitors@int.technion.ac.il including the name, faculty, level of the degree program, and email address of the nominated student(s).

Decisions about admissions will be made latest within 2 weeks after closing the application.

All applications should be submitted via our [Online Application System](#)

Please choose Semester Programs and then the relevant semester (Winter or Spring Semester).

ACADEMIC INFORMATION

Language(s) of instruction:

Undergraduate courses at Technion are primarily taught in Hebrew, however we offer courses taught in English in a wide range of disciplines. Preliminary course lists can be found [here](#).

Graduate-level courses are available for students who meet the requirements.

Please note: the language of graduate-level courses may be switched to English upon request by an international student, at the discretion of the course lecturer.

Further information about graduate-level courses can be found [here](#).

Please be aware: These lists are not final and additional courses may become available

Architecture Students

Architecture students need to submit the applications by **May 1** of the previous academic year for the year they wish to enroll, including a portfolio and an official letter from their home university with their class ranking (top 50%).

ACADEMIC REQUIREMENTS

Required documents:

Original transcript of grades in English
A minimum of **80** on a percentile scale of **100**
or a GPA of **3.00 out of 4.00**
Proof of English language knowledge (from non-native speakers)
1 Recommendation letter
Passport-size photo (suitable for student card)
Passport copy
CV
Personal statement (detailing the student's motivations for studying at Technion)

Additional Documents Required from Architecture Students

Portfolio
Official Letter from their Home University with their Class Ranking

Language requirements

Students from non-English speaking countries must submit one of the following documents:

TOEFL certificate - minimum score: **80**

TOEIC certificate - minimum score: **850**

IELTS - minimum Band **7**

CEFR scores: minimum **B2**

Duolingo: minimum **110**

Language certificate issued by home university

COSTS & WELFARE

Estimated Costs

Application fee: 60\$ for non-ERASMUS+ students

Administrative Fee: 250\$

Israeli Health Insurance: 10.20 NIS/day

Housing on campus: approx. 1,250 NIS/month

Campus fees: approx. 500 NIS/semester (depending on semester)

*Please note that these fees do not include the cost of living expenses estimated at \$2,500 per semester.

Health insurance

Students must have an Israeli health insurance policy arranged before arriving in Israel. Academic arrangements will not be completed without proof of Israeli health insurance. We recommend **Harel Yedidim Insurance**. For further information please contact: academic@yedidim.co.il or visit our [website](#)

Israeli Health Insurance: approx. 10.20 Israeli Shekels/day

MISCELLANEOUS

Housing

On-campus housing is limited. If housing on campus is unavailable, we offer students assistance in finding affordable housing off-campus.
Please find further information [here](#).

Visa requirements

International students must have an A/2 student visa. The visa must be issued in the student's home country.
Please find further information [here](#).

Work permit

International students are not permitted to work in Israel.

Professional Internship (for semester Exchange students only)

Students who come to the Technion for a semester abroad have the option of undertaking a professional internship at a hi-tech or start-up company. Working as an intern allows students to apply the engineering and scientific principles learned in the classroom to a real-world professional environment. Internships are unpaid positions taken over a period of at least 10 weeks (minimum 200 hours) and grant 3 academic credit points. Internships can be undertaken during the winter (January-March) or summer (June-August) at a cost of \$1,500.

STUDENT LIFE

Hebrew Course

Technion offers a free Hebrew course for international students, emphasizing practical language skills. Detailed information on the curriculum and registration will be provided closer to the start of the semester.

Social Activities

The Dean of Students Office arranges movie nights, lectures, day trips, hikes, group dinners, ect. especially for international students.

Sports Facilities

The campus provides a diverse array of sports facilities, featuring a gymnasium, fitness center, Olympic-sized swimming pool, as well as tennis and squash courts, and a basketball court.
