

ProChance^{exchange}

Support programme for scientific exchange for female early career researchers

The Friedrich Schiller University is committed to the objective of equal opportunities for women and men in science and will therefore support scientific activities and qualification of female researchers.

Objective

The objective of this programme is to enhance the scientific interaction and increase the noticeability and scientific qualification of female researcher. The Friedrich Schiller University offers its female doctoral candidates and its female postdocs financial support for smaller research stays, publication costs and participation in workshops and summer schools.

Eligibility

Female postdocs as well as female doctoral candidates at Friedrich Schiller University, as long as they are not employed by a research institution external to the university, may apply.

Type and scope of the funding

Expenses of up to € 1,000 may be provided within a period of two years. Only one applicant per year is accepted. Such funds must be used in compliance with the budget guidelines of the Free State of Thuringia and Friedrich Schiller University.

Deadlines

Applications may be submitted at any time, but at least six weeks prior to the date of intended utilisation of funding.

Application form and type

Applications should be made using the application form (https://www.uni-jena.de/en/ProChance_exchange.html). A CV and a list of publications should be attached. Female doctoral candidates require a letter of support by their supervisor. Applications must be sent electronically as one pdf-document to the following address:
