Micro Macro - Life Sciences in Jena

Only a few days left until the profile line LIFE presents amazing pictures from the Jena LIFE community!

In the exhibition "**Micro Macro - Life Sciences in Jena**" you can discover exciting projects from all different fields of the life sciences.

Come to the **GoetheGalerie** (basement) from **30.05. - 11.06.2022** and have a look - or visit the digital exhibition under micro-macro.space
