

# Workshop for international visiting scientists

**Starting a Career in Germany. Strategies for finding a job inside or outside of Academia.**

**Academic systems and job markets are not the same everywhere. In this workshop, we will focus on how you can start a career in Germany.**

**We will talk about:**

- **jobs inside and outside of Academia for international researchers: How do I get an overview of my options?**
- **personal and professional career goals: What do I actually want to do?**
- **matching your skills, interests, values and the job market: How do I find the right job for me?**
- **planning and preparing your career: What are my next steps?**

**When? 24.03.2023, 9 a.m. – 4:30 p.m.**

**Where? Welcome Point, Am Planetarium 8, 3<sup>rd</sup> floor**
